How to Enroll

To enroll, download the app, login and fill out the application. You will receive a confirmation email from the bank when you have been approved for remote deposit.

App available on:

Login

On your mobile phone access your account by going to the FRSB mobile app, available from the app store.

The users will be required to answer personal security questions the first time they login to Mobile Banking.

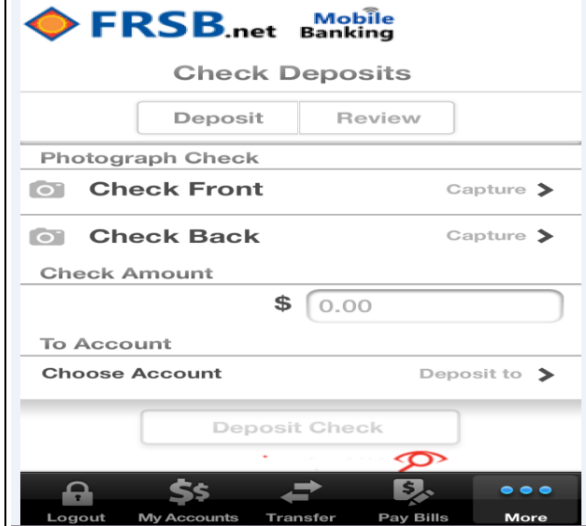

Enter the 12-digit Netteller ID or alias and the Netteller PIN number and click **Login**

Depositing a Check

Select **More** from the navigation menu bar displayed at the bottom of the screen. Then select **Deposits** from the menu. Tap **Check Front** and take a picture of the front of the check. Once image of check front is taken select **Use** if the image is acceptable or **Retake** if the image is not acceptable.

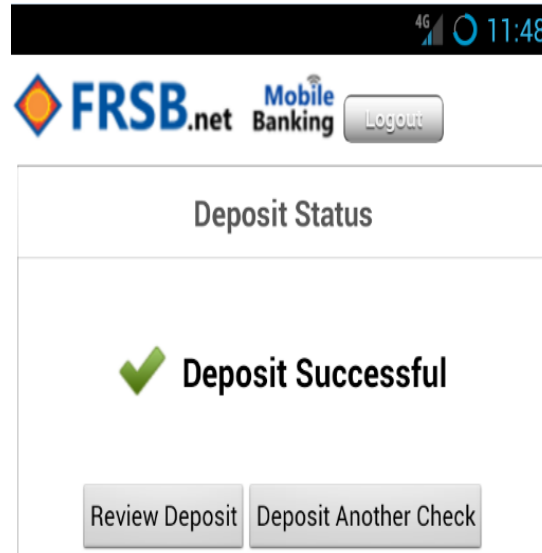

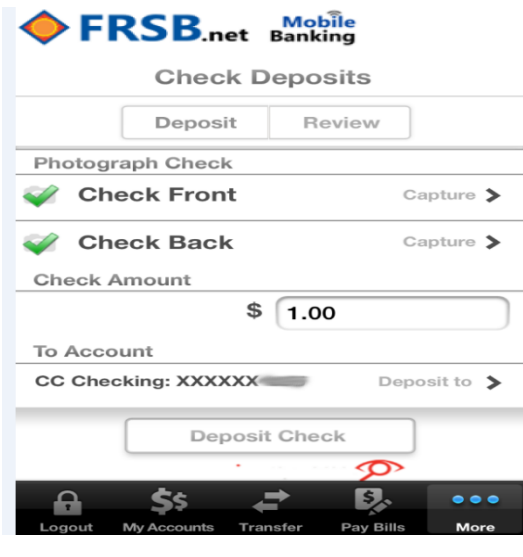

Before taking a picture of the back of the check, make sure it is endorsed.

Tap **Check Back**. Once image of check front is taken select **Use** if the image is acceptable or **Retake** if the image is not acceptable.

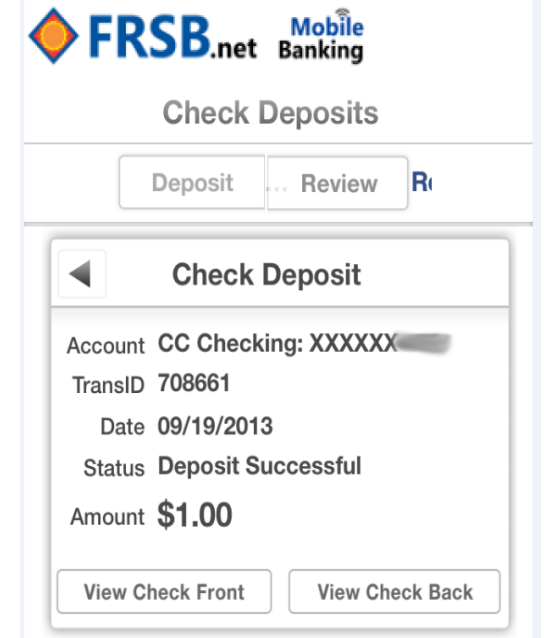

Enter the **Check Amount** and then Select the **account** to deposit into. Select **Deposit Check**.

Deposits made before 4:00 pm CST will post to your account at end of the current business day. Deposits made after this time will post to your account at the end of the next business day.

Select **Review Deposit** to review information such as deposit date, amount, and account displays along with options to view

Be sure to keep the original check for at least 30 days or until the deposit clears your account.
